

**Application instruction
for LIMMS internship FY 2027
On *Development of new generation of liver
computational model* at Sakai/Nishikawa laboratory,
LIMMS/CNRS-IIS, The University of Tokyo**

1. Internship description

- **Location:** Sakai/Nishikawa laboratory, LIMMS/CNRS-IIS (IRL 2820) at Hongo Campus, Tokyo, Japan
- **Internship title:** Development of new generation of liver computational model
- **Internship duration:** 1 to 6 months
- **Accommodation support:** 100 000 yens / month for maximum 6 months (600 000 yens max. per person)
- **Expenses:** Airplane tickets and incidental expenses are **NOT** covered by LIMMS.
- **Contract:** Up to 6 months. An internship contract between IIS-UTokyo and the French school will be finalized, which will define the rules and obligations (both overseas travel accident insurance and liability insurance) during the stay at LIMMS/CNRS, IIS UTokyo.
- **Starting & Ending dates:** The internship should start on the 1st of March 2027 or beyond and finish before the 31st of March 2028.
- **Visa:** Students who will participate in the program for more than 90 days must have a visa. **An administrative procedure takes about 4 months.**

Job Duties

- Read literature data
- Develop mathematical and biophysical liver computational model
- Run simulations and perform data analysis, post processing and interpretation
- Write reports and power point presentations
- Present work's progress to meetings and partners
- Follow laboratory daily rules and duty

Skills and Experience

- Computer science and informatics
- Bioengineering and Biophysics

2. Please send the following items to LIMMS direction <limmsadm@iis.u-tokyo.ac.jp>

1. CV
2. Motivation letter

- Candidates are kindly advised to send LIMMS direction the requested documents with an e-mail **subject “LIMMS XXXX (internship title)” FY2027 followed by the candidate's full name.** Sending documents with a different e-mail subject might be at risk of being overlooked.

3. Submission Deadline (Closing date) for applications is **6 November 2026.**

- Please note that due to our administrative procedure, we cannot accept your applications AFTER the deadline.

- Due to a large number of applications, it is not possible to reply to you if you are not shortlisted. If you have not heard from us within one month of the closing date, please assume that your application has not been successful on this occasion.

4. Notification of results

After approval by the screening committee in LIMMS, notification of the acceptance will be sent both to the intern and the host professor of LIMMS.
